

Student Ministry Teams

As we seek to develop students who will multiply their lives spiritually, we are consistently challenging students to take roles of spiritual leadership on campus. The movement at SIUE (Southern Illinois University Edwardsville) is headed up by a team of students who give leadership to several different ministry teams.

Adam and Ryan lead the Source Team—this is the team that organizes our weekly big-group meeting, called the Source. Katelyn and Brandon lead the Community Team, which organizes fun group events and parties where students can invite their lost friends. Cristina leads the Evangelism Team, which helps to lead and train students in sharing the Gospel with others on campus. Aaron leads the Prayer Team, which helps to organize group prayer, prayer walks on campus, etc. Josh and Candice lead the Impact Team—a team that focuses specifically on reaching African-American students on campus.

Would you please lift up these students by name right now? Pray that they would deepen in their love for Jesus, and in their ability to lead others.

Leadership Overnight

One of the ways we train and develop leaders is through a one-day conference at the beginning of each semester, called the Leadership Overnight. We held this conference the second weekend of the semester. It was a time for students to hear teaching from the Word about what we strive to do on campus daily: walk in the power of the Holy Spirit, and reach the lost with the Gospel.

Haley, a freshman who we recently invited to join our leadership team, listened intently as our Bible teacher for the weekend (who happened to be Abbie's dad!) talked about the importance of actively sharing the Gospel with others. After the weekend, she shared with our staff team how the Lord had broken her heart for the lost and how, even though she was really scared, really wanted the Lord to use her to do evangelism on campus. Since then, Haley has joined the Evangelism Team, and has signed up to go share her faith for a week in Panama City Beach over spring break with Campus Crusade!

Please continue to labor with us in prayer--we see no fruit in ministry unless God Himself does the work! "The prayer of a righteous man is powerful and effective" (James 5:16). We have seen God move as we pray, and we're so grateful to have you standing with us as we work!
